**Online Driver's Education Curriculum
Prepared by Eric Hoffman
Santa Fe Trail High School**

For the online Driver's Education class we will be using the *Drive Right: You are the Driver, 10th ed.* textbook, which will be provided. To successfully complete the online curriculum for Driver's Education you must complete the following with no less than 80% mastery:

- 1 – Handbook Test
 - Standard Test given by Kansas DMV over driving handbook
This test must be passed prior to driving!!
- 18 – Chapter Exams
 - Each Chapter Exam contains 40 questions
- 1 – Cumulative Final Exam (supervised by instructor)
 - 50 questions covering all chapters

DRIVING PORTION

Students will be assigned a driving instructor. That instructor will inform you of your driving times. It is your responsibility to inform the instructor of times you are not available to drive. Missed drive times could delay or keep you from passing the course. Most all of the driving will take place after school is out and the month of June, however some students may be driving the 1st two weeks of July.

In order to pass the driving portion of the class a student must:

- I. Students will be required to pass driving based competences:
 - A. driving fundamentals
 - B. turns
 - C. parking
 - D. urban driving
 - E. highway driving
 - F. rural driving
- II. Be on time to driving dates.
- III. Have mature behavior in car.

If you have passed both the classroom **and** the driving areas of the driver's education class you will then receive a certificate of completion form.
