SEPTEMBER 2018**

SECOND CHANCE BREAKFAST

SFTHS is offering a second chance to get breakfast in a grab and go style. We hope to catch the students who might have missed breakfast because they are running late or maybe our traditional breakfast is served too early for them. Every student who grabs a breakfast will get fresh fruit, juice and milk along with the main entree or cereal. The student will enter their meal number and will be charged appropriately. They will take their breakfast and eat it in the classroom. This is being offered during passing between 1st and 2nd hour.

DENTAL CLINIC FOR HIGH SCHOOL STUDENTS

High School Dental Clinic will take place at Scranton Attendance Center on September 25th during the school day. Please complete the appropriate paperwork by September 10th. Any questions regarding the Dental Clinic please contact Hannah at Douglas County Dental Clinic 785.312.7770 ext 206 or OUTREACH@DCDCLINIC.ORG.

High School Hearing and Vision screens will be completed on September 19th and 20th. We will be screening all 9th and 11th graders, any new students and any student with an IEP. Parents will be notified with a paper form if your student failed either exam and would need to be referred for further evaluation. All students that pass their exam will have records of their exam in their health file at the school and results can be given to the parent or guardian at their request.

COUNSELOR CONNECTION

Hi! I'm Melissa Strother. This is my 6th year working at SFTHS as a counselor. Prior to starting at SFT, I taught PE at Campus High School and Biology at Baldwin High School.

My favorite part of this job is seeing students grow toward adulthood. I especially love when I get the chance to check in with former students to see how things are going for them. I have a husband and three boys ages 12, 11, and 5 that keep me very busy. My favorite way to spend time is supporting kids doing what they love, both my own kids and the students at SFT. Between kid events, I enjoy reading, cooking, and naps. I'm looking forward to another great year on the Trail!

Hey there! My name is Angela Black, and I am very happy to be serving USD 434 as a counselor this year. I will be splitting my time between Carbondale Attendance Center/SFT Jr. High and Santa Fe Trail High School. I love this district -- it's such a wonderful place to be! Previously, I taught English at SFTHS, and I am a 1994 Santa Fe Trail High school graduate. My three sons attend schools in the this district as well. They certainly keep me hoppin'! When I'm not chasing my kids around watching them do their things, I like to fill my free time with family and friends. I also enjoy archery, gardening, cooking, and reading. This is going to be a fantastic year! I'm looking forward to working with all our students in a different capacity. It's great to be a Charger!

Also from the Counselor's Corner:

Suicide is the second leading cause of death among young people between the ages of 10 and 24. It is considered a "Silent Epidemic". September is **National Suicide Prevention Month**; in recognition of such, Santa Fe Trail students will get information on awareness and prevention of youth suicide.

CHARGER DAY AT SFT

We experienced our first Charger Day of the 2018-19 school year on Wednesday, September 5th. This day set the foundation for the Charger Days ahead. Students did the following.

2. They worked in Xello, the Individual Plan of Study program.

4. They were introduced to App Amour, the school safety app we have personalized to USD 434.
