Kindergarten Round-Up

We have kindergarten round up scheduled for April 26th for 8:30-10:30. At the round-up parents will learn what kindergarten will be like for their child, and the children will learn about the school. The nurse and the PTO will also talk to the parents. I am not sure of how many will attend, but we have invited around 70 students.

Parent Teacher Conferences

Teachers worked very hard getting ready for parent teacher conference. Teachers shared how students have been doing, along with answering any questions for the parents. Once again we had a good turn out this semester.

Their music concert is scheduled in the fine arts dome for Thursday, April 11th at 6:00 pm and 7:00 pm. Ms. Jones has been working very hard with the students, so they are ready for the concerts. I am sure the concerts will be great!

Technology Night

On May 1st, OAC will be hosting Technology night. Parents will get to visit their student's classroom to see the technology that is being used. We will also have a dinner provided, and KRR will have reading interactive stations set up after dinner. The library will also have the BOGO booksale going on.

Field Day

Mark your calendars for May 3rd at the Overbrook Ball Parks as we will be having Field Day. It will start at 12:30 and go until 2:30 with different rotations for the students.

Running Club

We have over 40 students regularly attending the OAC running club! Students have been getting daily leadership lessons along with a great work out. The 5K is scheduled in Overbrook for Saturday, May 4th. Registrations have been shared around the towns. We are hoping to have a great turn out, and to make this 5k an annual event.
