OVERBROOK ATTENDANCE CENTER

Principal - Mrs. Lorle Bolt

A message from our principal

Dear Charger Families,

Letters regarding unpaid fees will be coming home with your child for the 2023-2024 school year. We understand that various circumstances can cause delays in payments throughout the year. Before the last day of school we kindly request you pay these fees. Timely fee payment ensures smooth operations and helps us uphold the standard of education at Overbrook Attendance Center. We encourage you to kindly disregard this reminder if you have recently made a payment.

Once fees are paid, report cards and class placements will be mailed to families on Friday, May 17th. Kindergarten class lists will be created and shared in August before school starts and CAC will share their 4th grade lists with families when schedules are created.

Thank you,
Mrs. Bolt

Last Day Dismissal - May 14th

Walkers Dismiss at 1:30pm

SAC and CAC Shuttle Busses Dismiss at 1:20pm

Route Busses Dismiss at 1:40pm

Summer School

This year OAC will not be offering summer school for our students. In the past we have had additional funding resources to help with the fiscal aspects of summer school. These resources

are no longer available at this time. We will continue to offer KinderCamp at this time to help our incoming Pre-K students transition to Kindergarten at OAC.

KinderCamp

I'm pleased to announce that Overbrook Attendance Center will offer KinderCamp to incoming students who turn five on or before August 31, 2024. KinderCamp is specially designed to prepare children for entering school in the fall. Students are engaged in school-day routines, small-group instruction, hands-on centers and activities to further develop fine motor and social skills.

Program Schedule:

KinderCamp

4 days; Monday-Thursday, 8:00am-11:30am

Dates:

July 22-July 25

Lost and Found

All items from the lost and found will be in the front hallway by the main entrance. If your child is missing any items please come take a peek and see if their items are in the lost and found. After the last day of school all items in the lost and found will be donated.

SPECIALS AT OAC

MARCHING IN MAY

Art- It is so hard to believe we are coming up on summer already! Third grade has been working so hard on their Art show projects! The other grades are working on on team building. We have a few group projects coming up!

Explore- Kindergarten will focus on problem-solving and be introduced to "coding" while first grade will expand on their problem-solving skills and try to fix "bugs" within their codes. Second and Third graders will be helping the World History Class from the High School. Their task will include evaluating the Biographys of famous people from around the world. Our final unit for Explore this year will include a historical celebration pertaining to Cinco De Mayo.

Music in May will include moving with simple folk dances. 1st and 2nd grade students will take turns with xylophone to accompany songs. Kindergartners will copy and create rhythms to the music in their class circle. Among other games, 3rd grader students will play recorder "pitches" to make it around the bases. And everyone gets to stretch into the summer with musical limbo!

P.E.- In PE this month we are starting strong with a field day on May 3rd. If you would like to volunteer to help out with field day scan the QR code below and sign up.
