# KINDERGARTEN

Santa Fe Trail USD #434

Health Services Checklist

---

## SCHOOL PHYSICAL

---

---

A physical must be complete before enrollment in August. A physical done within the last year will fulfill this requirement.

\*\*\*A copy of the health assessment form is available in your school nurse's office or from the district website at [www.usd434.org](http://www.usd434.org) under district enrollment forms. If a print out from your doctor's office is available that is also an acceptable form.

## IMMUNIZATION RECORD

---

---

Immunizations must be completed and submitted before the first day of school.

## BIRTH CERTIFICATE

---

---

You must submit an official copy from vital statistics.

If you have any questions about these requirements or any other health issues, please feel free to contact me or OAC school nurse, Dusty Rolla anytime 800.836.9525. We look forward to working with you and your student next school year!
