

REGULATIONS FOR USE OF USD 434 SANTA FE TRAIL SCHOOL FACILITIES

1. School-sponsored and community/recreational activities have first priority for facility use.
2. When facilities are not in use for school activities and community/recreational, they are available to organizations, teams, and groups from the Santa Fe Trail School District, subject to the discretion of the USD 434 Santa Fe Trail BOE. The district office will establish 3 facility use sessions during the school year. Sessions will be for an hour and a half at a time, a duration of 8 weeks, at the cost of \$200 per session. The availability and allowed activities of facilities will be determined by the district office.
3. The board delegates to the district office the authority to approve or disapprove requests for the use of school facilities. Permission to use school facilities may be granted under the following guidelines:
 - a. A written form, available from the district office, must be completed and approved.
 - b. Teams wanting to use the gyms for practice must have at least 80% of their team made up of students from USD 434 Santa Fe Trail unless following KSHSAA regulations.
 - c. There must be 1 adult for every 10 students.
4. If an activity is profit-making, a fee may be required according to printed board regulation.
5. Any expenses incurred by the district, other than utilities, must be reimbursed by the users. This includes any damage to district equipment and/or facilities.
6. USD 434 Santa Fe Trail patrons are limited to 1 session per activity period.
7. FOB (keys) rental is \$25 and is refundable when the key is returned to the office. FOBS are assigned to the requesting individuals and should not be transferred or shared with other persons without the express consent and knowledge of the District Office or Principal at the requested facility.
8. The district’s top priority is the safety of students, staff, families, and facilities. It is the responsibility of patrons renting the facilities to supervise all parties, secure doors at all times, and work with administration on the intrusion system controls. Doors are not to be propped open for any reason and patrons are only to be in the areas rented.
9. All patrons renting facilities are asked to ensure that rented spaces are free of trash, equipment, or other items that were brought to the schools. Please make sure lights are turned off and doors locked and secured. FOBS will not be activated until payment and deposit are received.
10. FOBS are not to be given to anyone other than the persons who signed as responsible party. The FOB could be deactivated and deposit non-refundable due to abuse of facilities and disregard of regulations.
