Mr. Denk,

Please allow this to serve as my letter of resignation from my role as Assistant Principal and Activities Director at the Carbondale Attendance Center. I have greatly valued my time in Carbondale and the wealth of experiences it has provided as well as the relationships I have built. Due to changing family circumstances, we will be moving to the Kansas City area. Again I appreciate the opportunities that you have provided and look forward to working with you for the rest of this year.

Sincerely,

Zach Harwood
