Mary Burgett, KAY Sponsor
Santa Fe Trail High School
15701 S California Rd
Carbondale, KS 66414

Dear Santa Fe Trail High School KAY club,

CONGRATULATIONS! The KAYAN Board in partnership with Blue Cross Blue Shield of Kansas, has approved a grant of \$6,000.00 for your open exercise program and increased hydration project.

Thank you for taking the opportunity to be a part of the **Be The Spark** Challenge! This has been such an exciting adventure for KAY Clubs across the state of Kansas. We are so glad that you were willing to take a chance to complete the grant application process. We hope that the grant application process was a very good learning experience for your entire club and school. Through this **Be The Spark** Challenge grant we are excited for you to make a difference by promoting a healthy lifestyle for yourselves as well as future generations of Kansans.

When reviewing your grant application we thought you did well with surveying your school and figuring out a project that will be used by multiple students and faculty. We believe this will make a great impact by not only increasing physical activity, but also hydration as well.

Our offer of this grant is subject to your agreement to the attached contract/affidavit. If your organization agrees to these terms, please have the authorized representatives sign and return the contract/affidavit. Please return the signed contract/affidavit by July 1, 2020. Please remember that any questions can be directed to Katlin Bryan at BeTheSpark_KAY@hotmail.com.

Again, congratulations on receiving a **Be The Spark** grant! We are very excited for this opportunity and assisting your efforts along the way.

A handwritten signature in black ink that reads "Katlin Bryan".

Katlin Bryan
