Dance Team - 50 tubs of cookie dough - Eileen's Colossal Cookies - To raise funds for NDA Camp; Kids clinic

Cheer has our little kids clinic – Oct. 8th. This is to help pay for signs/poms/competition entry fee. And then we'd like to do Butter Braids in November (frozen bread products/emch fundraising is the vendor) – this helps build funds to help pay for next year's camp. We do Easter Eggs in April at the beginning of the new season for the next year's team to help with camp fees.

And then if it counts – we'd like to do another Softball Tournament the first weekend of June.

Baseball – gift card raffle; and free throw contest at home basketball games; practice gear and miscellaneous.

Softball – Fan cloth-toward team gear.

Green Team - 1. Collecting and sorting medicine bottle caps for Auburn Pharmacy.

2. We will run two concession stands for SFT.

3. There is an opportunity for the spring that I am currently looking into. It is called Tree-Plenish. I have attached a link. Basically, if we are able to do this, we would figure out how much paper the school uses and counteract that by planting tree saplings throughout the community. We would work with the Tree-Plenish nonprofit to advertise to the community about planting a tree in their yard and then there would be a planting day in the spring. The fundraising component would involve talking to local businesses to see if they would sponsor some of the cost for purchasing the tree saplings. I am not sure if this will work out, but I am interested in it.

Track – the exact fund raiser has yet to be determined, but Coach Herren would like to do one. They will use the money to purchase an award board similar to the other sports that hang in the commons, among things like team gear, and event food/snacks.
