Mr. Patrick Graham,

I am writing to inform you of my resignation from my teaching position at Santa Fe Trail High School USD 434 following the end of the 2021-2022 contract year. It is with mixed feelings that I announce my plans to leave the district, as this has been an incredible place to start my teaching career.

My decision comes after plans became final to move to Boston, MA after getting married next summer. My fiance currently works in Boston and we decided it makes the most sense for our life situation to have me move there. I look forward to continuing my teaching career in this new city.

These past years at Santa Fe Trail High School have been very meaningful for me and I am very thankful for all of the support you and the staff gave me. I truly feel that I am a better educator because of my time working here. I value how I was challenged to always seek new and meaningful ways to support each individual student. I will miss all of the staff and students here at SFT.

Please let me know if there is anything I can do to make this a smooth transition.

Sincerely,

A handwritten signature in cursive script that reads "Kali A. Hinman". The signature is written in black ink and is positioned above the typed name.
