After 39 years of service to USD 434 Santa Fe Trail (1 year as a substitute teacher and 38 years as a classroom teacher), I am completing my classroom teaching position effective at the end of the current contract year.

Years ago, as a high school student at SFT, I had no idea my career path would lead me on a journey back to my hometown and my alma mater. I will always appreciate the opportunity to teach students in my home district and to serve our community. There is an endless list of people who have helped, guided and supported me along the way, and I am forever indebted to each of them. I have had a great ride, but the time has come for me to pursue other interests.

I would like to retain my position as a high school football coach and summer weights sponsor. If there is a need for a substitute teacher, I may be available for that as well. I look forward to continued service to the Santa Fe Trail community.

Sincerely,
Bob Hug
