- **2/27** Spring Picture Day

National Children's Dental Month

This month is a great opportunity to spend extra time on dental hygiene with your child. Check out the following resources to support your child's dental care at home.

Preschool will have a guest speaker this month to talk with children about early dental care.

<https://www.mychildrensteeth.org/>

Friendly Reminders

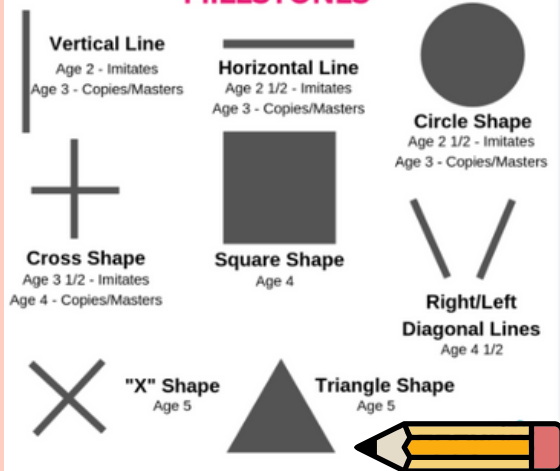

- Please send your child to school with a coat and gloves
- If your child is in need of hats, gloves, or coats please reach out to the SAC front office
- Please follow us on the SAC Preschool Facebook Page
- Sign up for a Well Child Screening if your child has not attended one this school year
- Please drop off and pick up your child on time each day

Kansas Day

Parent Education Pre-writing Strokes

PRE-WRITING DEVELOPMENTAL MILESTONES

Whats happening in preschool?

During the months of January and February, students are learning pre-academic content and skills through various themes such as Kansas Day, Winter Animals and Weather, Kindness, Friendships, and much more. These themes provide content for students to learn through hands-on activities, literature, math, science, social studies, and social-emotional skills practice.

Content and skills go hand and hand. We hope your students share what they are learning with you at home. Ask your child specific questions about these themes and I bet they will have much to say!!!!

Students are also learning pre-writing skills and working on the letters in their names each day at school. You can help reinforce this learning at home by modeling for your child and letting them trace and independently practice basic strokes with your support. Give it a try!

Family and Community Supports

LIEAP is a federal program administered by the Kansas Department for Children and Families, which helps eligible Kansans pay a portion of their home's utility costs by providing a one-time per year benefit; benefit levels may vary. See their website (<http://www.dcf.ks.gov/services/eas/Pages/EnergyAssistance.aspx>) for additional information or call 1-800-432-0043.

Harvesters "Backsnack Program" is also available at your child schools. This programs provides food for your child and family each week for anyone interested. Please reach out to the District Social Worker, Maggie Mead. 1-800-836-9525 X 5006.
