

Superintendent Newsletter
Communication

800-836-9525 
fflory@usd434.us 

This will be my final newsletter of the 2023-2024 school year. It has been my pleasure to update you each week about our schools and the action steps we are taking to meet our BOE goals. I hope these newsletters have been informative and kept you engaged in school operations. It is my humble honor to serve this district and the great people of Santa Fe Trail. Have a wonderful Summer Break!

Over the summer we encourage you to stay connected with the school. The summer is just as busy as the school year as we host programming, activities and sports camps, summer weights and conditioning, and food service. Our calendar is hosted on the district website and you will receive school messenger text and email alerts by subscribing below. Facebook and social media will also continue to be active if you follow our pages.
