SANTA FE TRAIL PRESCHOOL

Gratitude

As the holiday season nears, we want to remind everyone of all that we are thankful for. Here at Santa Fe Trail preschool, we are especially thankful for your children and your families. We enjoy being able to watch them grow and develop, and we enjoy being able to partner with you all to make their preschool experience be the best that it can be.

Parent Partnerships Get Involved in PTO

The mission of Santa Fe Trail PTO is to:

1. Enhance the educational environment through volunteerism and financial resources.
2. Promote communication between district administration, staff, parents, and students.
3. Foster Pride in our district throughout the community
4. Provide Monetary assistance to educators and schools for items not covered by the regular school budget.

Please check out their Facebook for more information.

CHARGERS CONNECTED

FRIENDLY REMINDERS

- Follow us on our Scranton Preschool Facebook Page

- Good Attendance at school greatly affects your child's growth and school readiness. Starting good attendance habits early will support their K-12 success.
- Be sure to check your students Seesaw account for teacher updates
- Please send your child to school in warm clothes as the weather begins to change. We will be outside playing most days.
- If you need a coat, gloves, or hat please reach out to your teachers

Harvesters

COMMUNITY FOOD NETWORK

We are pleased to give your student the opportunity to participate in the "Backsnack Program" through Harvesters. Each week, your student can bring home a "backsnack" full of kid-friendly foods if your family needs it. The food is collected and distributed by Harvesters. If this is a program your child is in need of, please reach out to your child's preschool teacher so they can be added to the program. A student can be added to this program at any point in the school year. Deliveries will begin in October. If you have any questions/concerns about Harvesters, please feel free to reach out to the District Social Worker, Maggie Mead. She can be reached at 1-800-836-9525 X 5006.

Lions and Tigers and Bears OH MY! HALLOWEEN FUN

Our wonderful community and families graciously put together yet another successful Halloween Trick or Treating parade for our students. We all had so much fun and the kids went home with bags full of goodies. These experiences are so crucial for both our schools and communities. We appreciate the continued partnerships and can't thank everyone enough for all their hard work putting this event on for us each year. An additional shout-out to our teachers, support staff, and parents for celebrating these fun holidays with our students. All the work behind the scenes does not go unnoticed. Thank you to everyone who helped organize and coordinate the schedule, bussing, and event planning.
