

4.6 Adoptions

The following adoptions need to be made on a yearly basis. The GAAP waiver is recommended by KSDE to allow financial statements and financial reports of the district to be prepared on the basis of cash receipts and disbursements as adjusted to show compliance with the cash basis and budget laws of the state.

Under current law, the district can only take actions that are granted to it by the State of Kansas. The Home Rule Resolution allows the district to take actions it feels are appropriate should no Kansas regulation address these actions.
