

# SAC NEWSLETTER

Scranton Preschool

## Whats happening at SAC?

November went by in a whirlwind. Students in each of the classrooms learned about Thanksgiving and families and what they are thankful for. They also continued to work on early literacy skills, early math skills, and as always, social skills. We are looking forward to continuing our work on early reading and math as well as spending sometime learning about winter and winter holidays during December.

## DECEMBER TIP OF THE MONTH

### SING SONGS

Children love to hear people sing. Songs have rhymes and rhythms that help them learn language and eventually how to read. Songs, fingerplays, and Nursery Rhymes are all important for young children to learn.

## SAVE THE DATES

- December 3rd- SAC Picture Retakes
- December 6th- No Preschool. Screening at SAC
- December 20th- End of 2nd Quarter
- December 23rd-January 7th- No School, Winter Break
- January 8th- Classes Resume

## SAC FREE WINTER COATS!

Located in the front entrance of SAC

**Hats | Gloves | Boys & Girls Coats 2T-5T**

We have several coats that have been donated that we need to find homes for. Please come check out what we have in front of the SAC office and help yourself!

# from the Nurse's Office

Charger Families,

As we continue to move through the fall and into the winter season, I wanted to take a moment and review the Santa Fe Trail Sick/Exclusion Policy for students/staff as we are seeing an increased number of individuals with flu/cold like symptoms.

Most common symptoms being seen are (but not limited to)

- Fever
- Chills
- Fatigue & weakness
- Cough -Wheezing
- Runny or Stuffy Nose
- Headache
- Chest Discomfort &/or Congestion
- Decreased appetite
- Muscle/Body Aches
- Sore Throat
- Sneezing
- Nausea/Vomiting
- Diarrhea

All district building nursing offices continue to have onsite Rapid COVID/Flu A&B tests available for students, staff and community members. We also have a large supply of OTC Home testing kits that can be sent home upon request. Unfortunately , we no longer are able to offer Strep Testing.

The full policy is posted on the school website, but a few quick reminders:

Students and staff can return to school with:

- Overall Symptom improvement
- Fever free without use of fever reducing medications for 24hours
- Symptom free after a positive COVID/Flu test
- Vomit/Diarrhea free for 24 hours without use of medications
- Able to conduct daily routine in the classroom

If you have any questions or would like to be tested or obtain home tests, please contact one of the nursing offices.

It's a Great Day To Be A Charger, because TOGETHER we can change lives.
