SANTA FE TRAIL HIGH SCHOOL

Message from the Principal

Dear Charger Families,

As we step into March, I want to take a moment to express my gratitude for our students, staff, and parents who make Santa Fe Trail High School such a vibrant and supportive community. The past few months have been filled with hard work, dedication, and achievement, and I am excited about what lies ahead.

Spring brings a flurry of activities, from academic competitions and athletics to fine arts performances and end-of-year planning. I encourage all students to stay engaged, take advantage of available resources, and finish the school year strong. Parents, your continued support plays a vital role in your child's success, and we appreciate your involvement in their academic journey.

As we approach spring break, I hope everyone takes the opportunity to rest, recharge, and return refreshed for the final stretch of the school year. Let's continue working together to make this semester one of growth and achievement for all.

Thank you for your ongoing support of Santa Fe Trail High School. Go Chargers!

Sincerely,
Kyle Ellis

Business Essentials

In our recent unit on Entrepreneurship groups of students participated in a mock Shark Tank. Students had to invent their own fictional product to sell to a panel of sharks (the class). Brainstorming, cooperation, research, presentation theme and design, and professional presentation were all key components of this project.

It was an exciting February at Santa Fe Trail High School! We have had an **action-packed February** here at the **Palace on the Prairie**, with our students excelling in **academics, athletics, and the fine arts**. As winter activities such as **Wrestling and Girls & Boys Basketball** near their conclusion, our sports teams are pushing for **strong finishes**, demonstrating their hard work and dedication.

The **Santa Fe Trail Cheer Squad** showcased their hard work and spirit at the **Baldwin Cheer Competition** on **Saturday, February 22**. The team delivered an **outstanding performance**, earning a **2 rating** for their routine. Their dedication, teamwork, and energy were on full display, and we are incredibly proud of their efforts.

The **Band and Choir** are fine-tuning their performances in preparation for the **Pioneer League Contest** on **March 3** at Osawatomie. Their countless hours of rehearsal will be on evident as they compete against other talented musicians in the league.

Excitement is also building for the **spring play**, set to take the stage on **March 7, 8, and 9**. The cast and crew have been working tirelessly to put together an unforgettable performance, and we encourage everyone to come out and support their efforts.

Meanwhile, **cheer and dance tryouts** are right around the corner, giving students the opportunity to showcase their skills and enthusiasm for the upcoming school year.

As we transition into a new season, **spring sports** will officially begin practice on **Monday, March 3**. Athletes are eager to hit the fields and courts, preparing for what promises to be an exciting and competitive season.

School Play

Submitted by Kara Holbert

The SFTHS Theatre Department presents "Late Bus" for its Spring Play! At Saw Mill Public High School, the late bus picks students up at 6:30 p.m. It just never comes on time. Over the course of a school week, we meet Saw Mill High's collection of mavericks and misfits with no other way to get home: the chaotic valedictorian, the big-brained transfer, the detention heads, the band geeks, the athlete, the anxious ones, and the one quietly observing it all. With some magical music, vicious rumors, breakups, and more than one breakdown, Late Bus is a close look at what it means to be in high school in our messy world. Together, this group of teens in a hurry to grow up might just learn a little bit more about what it means to be here, now.

We can't wait to see you there!

- Friday, March 7th @ 7 PM
- Saturday, March 8th @ 7 PM
- Sunday, March 9th @ 2 PM

MARCH IS NATIONAL READING MONTH! Read Across America Day is coming! Started in 1998 by the National Education Association (NEA), Read Across America Day was created to inspire a love of reading in students of all ages. It's celebrated every year on March 2nd - Dr. Seuss's birthday! - and many schools extend the fun into a full week of reading adventures. Additionally, the Department of Defense Education Activity (DoDEA) is encouraging Military-connected students and their families to participate in events at DoDEA schools around the world.

It's a day for school communities to join each other and the nation in celebrating the importance of literacy for all ages.
