Principal - Mrs. Lorle Bolt

A message from our principal

Dear Charger Families,

We will begin our second and third grade state assessments this month. We will also complete our K-3 Spring Fastbridge Assessment starting on April 28th. This can be a stressful time for our students. Here are some tips to help ease their minds:

Testing Schedule for 3rd Grade

- ✦ **Mathematics** – April 8th & April 9th (Morning)
- ✦ **English Language Arts** – April 15th & April 16th (Morning)

Testing Schedule for 2nd Grade (Pilot Assessment)

- ✦ **Mathematics** – April 4th (Morning)
- ✦ **English Language Arts** – April 3rd (Morning)

- Reassure your child that he or she does not have to answer all the questions correctly to pass. It is not expected that students answer every question correctly. There is always room for error. Knowing that they do not have to be perfect will help eliminate some of the stress that comes with testing.
- Tell your child to attempt to answer all of the questions and not to leave any blank. There is no penalty for guessing and students can get partial credit on the open-ended items. Teach them to eliminate ones that they know are wrong first because it gives them a higher chance of getting the correct answer if they are forced to guess.
- Remind your child that the test is important. It sounds simple, but most children will put forth their best effort when they know it is important to their parents.
- Ensure that your child gets a decent night's sleep and a good breakfast before taking the test. These are essential to how your child performs. You want them to be at their best. Failing to get a good night's rest or good breakfast can cause them to lose focus quickly.
- Make the morning of the test a pleasant one. Try to do extra things that make them laugh, smile and relax.
- Get your child to school on time the day of the test. Give yourself extra time to get to school that morning.
- Encourage your child to stay focused on the test, even if other students finish early. It is human nature to want to speed up when others around you are already finished. Teach your child to start strong, stay focused in the middle, and finish just as strong as you started.

Quarter 3 Attendance Awareness Notification

As part of our ongoing efforts to support student success, we are working to reduce chronic absenteeism as a building-wide goal. Research shows that students who miss 10% or more of school days—whether excused or unexcused—are at a higher risk of falling behind academically. To help increase awareness, families with quarterly attendance below 90% will receive a notification letter outlining the number of days their student has been absent. **Please note that this is simply an informational letter and does not indicate truancy.** Our goal is to keep families informed and work together to support consistent attendance, which plays a key role in student learning and success.

We appreciate your partnership in helping our students stay engaged and on track. If you have any questions or need support regarding attendance, please feel free to reach out. For additional

information regarding our attendance policy please review the following information from our Overbrook student handbook.

Join Us for State Assessment Kickoff Night -- 3rd Grade Parents

Mark your calendars for **Monday, April 7th, at 6 PM**, and bring your child for a fun-filled evening as we celebrate the upcoming state assessments with SITE Council and Title!

This exciting event will help students feel confident and prepared. They'll review important testing tips and tricks, while teachers share valuable strategies to support success at home.

Then, get ready for some friendly competition! We'll be inviting parent-student teams to participate in a variety of games—competition style—with **PRIZES** for the winners!

This is a fantastic opportunity to encourage and celebrate your child while making state test prep fun. We look forward to seeing you there!

The flyer features a blue background with yellow and white accents. At the top left is the OAC logo (an open book with a sunburst) and the text 'OAC'. Below this is the main title '3RD GRADE STUDENT-PARENT MEETING' in large, bold, white and yellow letters. To the right, a circular inset shows a smiling female teacher in a red jacket looking at a notebook with a male student. Below the title are icons for an atom, a globe, and a lightbulb. A large white circle on the right contains the date 'MONDAY 7 APRIL' in blue. The central text reads: 'Join OAC 3rd grade staff to have a kick off assembly for your child before state assessments start!'. Below this is a list of three items, each with a yellow checkmark icon: 'Play Fun Games with your child & learn test taking strategies', 'Win Prizes', and 'Celebrate your child's hard work'. At the bottom left, a blue rounded rectangle contains the text 'Time: 6:00-7:00PM'. At the bottom right, a circular inset shows a group of people sitting around a table in a classroom setting. A rocket icon is at the bottom center.

Kindergarten Parents: Mark your Calendars

K Parents Only: There will be no school for kindergarten students on April 4, 2025. This allows the incoming preschoolers who will be kindergarten students in the 2024-2025 to experience kindergarten round-up! All other students (1st - 3rd) will have school that day as regularly scheduled.

Please join us for Kindergarten Round Up at Overbrook Attendance Center

Who: Incoming students who turn five on
or before August 31, 2025

When: April 4, 2025

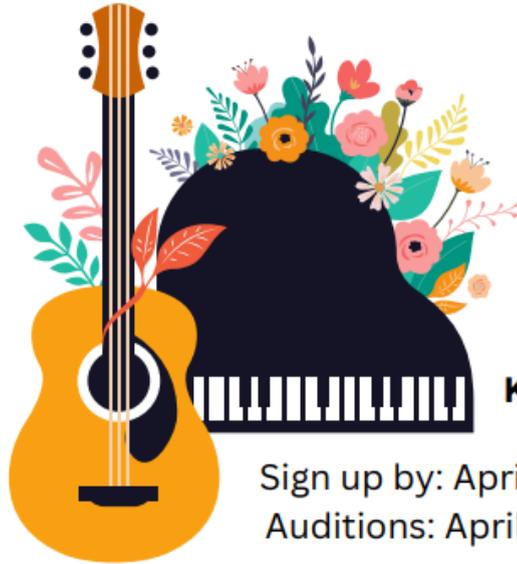

Time: 9:00-10:50am

To register call: (800)836-9525

Talent Show

Does your child have a talent they would like to share with their teachers and classmates? Please speak with them at home regarding talent show signups. We had a phenomenal turn out last year and would love to continue this tradition.

5.16.25 OAC Talent *show*

2nd: 10:00am
3rd: 11:00 am
1st: 12:35 pm
Kinder: 1:45 pm

Sign up by: April 1st
Auditions: April 7th

Parents are welcome to attend!

Our school wide talent show will take place on May 16th during specials. They can perform individually or as a group. Some ideas include singing, a skit, dancing, jokes, gymnastics, and instruments.

Kansas Teacher of the Year Tour

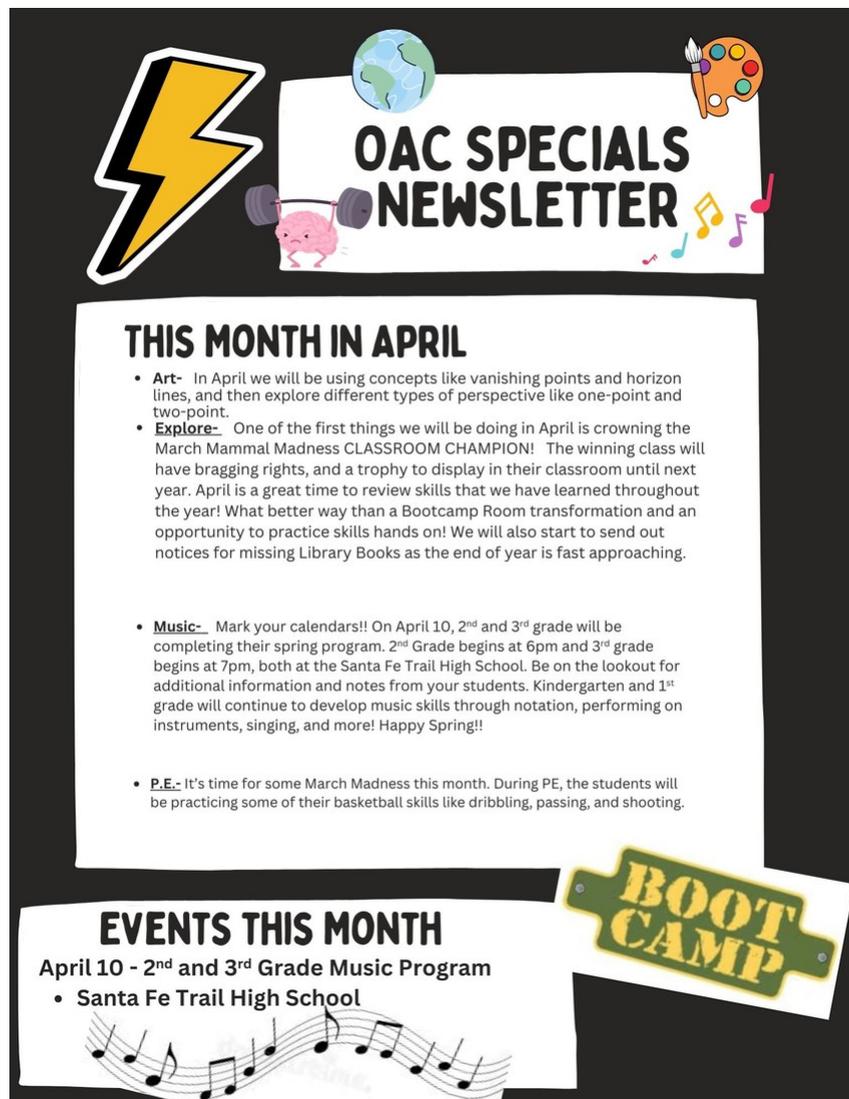

The Kansas Teacher of the Year Award recognizes outstanding educators who exemplify excellence in elementary and secondary classrooms across the state. This program builds a network of exceptional teachers who are leaders in improving schools, student performance, and the teaching profession.

Recently, USD 434 had the honor of hosting Ms. Mallory Koger's cohort as they toured our district to learn more about our programs, staff, and students. It was a fantastic opportunity to celebrate our schools, showcase our strengths, and highlight the incredible work happening in our classrooms.

A special thank you to Ms. Koger for her dedication as a Kansas Teacher of the Year nominee and for sharing our district with her cohort. We appreciate all of her hard work and leadership this year!

A note from our Specials Teachers

THIS MONTH IN APRIL

- **Art-** In April we will be using concepts like vanishing points and horizon lines, and then explore different types of perspective like one-point and two-point.
- **Explore-** One of the first things we will be doing in April is crowning the March Mammal Madness CLASSROOM CHAMPION! The winning class will have bragging rights, and a trophy to display in their classroom until next year. April is a great time to review skills that we have learned throughout the year! What better way than a Bootcamp Room transformation and an opportunity to practice skills hands on! We will also start to send out notices for missing Library Books as the end of year is fast approaching.
- **Music-** Mark your calendars!! On April 10, 2nd and 3rd grade will be completing their spring program. 2nd Grade begins at 6pm and 3rd grade begins at 7pm, both at the Santa Fe Trail High School. Be on the lookout for additional information and notes from your students. Kindergarten and 1st grade will continue to develop music skills through notation, performing on instruments, singing, and more! Happy Spring!!
- **P.E.:** It's time for some March Madness this month. During PE, the students will be practicing some of their basketball skills like dribbling, passing, and shooting.

EVENTS THIS MONTH

- April 10 - 2nd and 3rd Grade Music Program
- Santa Fe Trail High School

BOE Goal 4 Community Involvement: A Strength at OAC

At OAC, we believe that community involvement is one of our greatest strengths. As part of our commitment to **Goal 4.1—Building trust with the community and staff through effective communication and improved transparency**—we prioritize strong, clear, and consistent communication.

We keep our families informed through multiple channels, including building and teacher Facebook pages, newsletters, emails, text messages, and paper-copy notifications. In addition, we host various events throughout the year, welcoming the community into our school, especially around the holidays for special celebrations and lunches.

Our partnerships extend beyond our school walls. We collaborate with **Overbrook Parks and Rec** to provide summer childcare opportunities, ensuring our students have a safe and engaging place to be.

By fostering these connections, we continue to strengthen the bond between our school and our community.
