## Welcome Back!

We have had a great start to the school year! Children in all classes have been busy learning the routines and getting to know each other.

In September, we will be focusing on fall activities, learning to recognize and write names, and on social and play skills. We will also begin letter instruction using the Open Court Curriculum, as well as math instruction using the Bridges Curriculum.

Be on the lookout for information from teachers about getting signed up for Seesaw. We have found a way to use this platform for classroom communication rather than Facebook. We will still have our SAC Facebook page, but we will not have the classroom pages any longer.

# SANTA FE TRAIL HOMECOMING 2025

Join us for a day of community spirit!

## PARADE & PEP RALLY

**Students Dismiss:** 12:00 PM

**Parade & Pep Rally:** 1:00 PM in Scranton

## COMMUNITY ENGAGEMENT

**Time:** 3:30 PM – 6:00 PM

**Location:** Santa Fe Trail High School

**Activities:** Food trucks, face painting, games, and bouncy houses!

## CORONATION & FOOTBALL GAME

**Candidates Introduced & Coronation:** 6:30 PM

**SFTHS Football Game:** 7:00 PM Kickoff

Stay for the game and cheer on the Chargers!

**This year's Homecoming will look a little different!**

Because all K-12 students will be dismissed early, Preschool will NOT hold a PM session. We encourage all parents to bring their children to the activities listed on the flier. The district is excited to invite all three communities to come together for this new and improved HOMECOMING EVENT!

# **AGES AND STAGES QUESTIONNAIRE REQUIRED SCREENER**

**Families of Santa Fe Trail 2025-2026 PreK students -**

**Today we are sharing a link containing two assessments, which are simple questionnaire screeners to identify developmental and social-emotional strengths and areas that may need support for your child. These questionnaires provide a quick check of your child and the information will remain confidential. Your answers will help us get to know your child better and how we can support him or her in the classroom. The ASQ Screener is a state mandated assessment for all PreK and Kindergarten students to complete in the state of Kansas. Families will need to complete the screener based on typical behavior / development they see for their child.**

## **Tips:**

**If activities are involved in the questionnaire, make it a game that's fun for you and your child.**

**Make sure your child is well rested and fed before trying any activities and try the activity before marking a response.**

**Answer questions based on usual behavior - not how the child acts when sick, very tired, or hungry. For example, while your child may become clingy when ill, she is usually independent and outgoing.**

**Attached are informational parent resources on the screeners.**

## **Screeners 1 & 2**

**Please complete both screeners and reach out with any questions.**

**THANK YOU!!**
