Overbrook Attendance Center

A message from our principal

Dear Families,

We invite you to stop in and join us during **Parent-Teacher Conferences on Wednesday, October 22, 2025, from 4:30–6:30 PM** to learn more about **Math Work Places!**

Math Work Places are fun, educational games students use in the classroom to reinforce their math skills. We will be set up in the gymnasium, and we'd love for you to stop by before or after your conference.

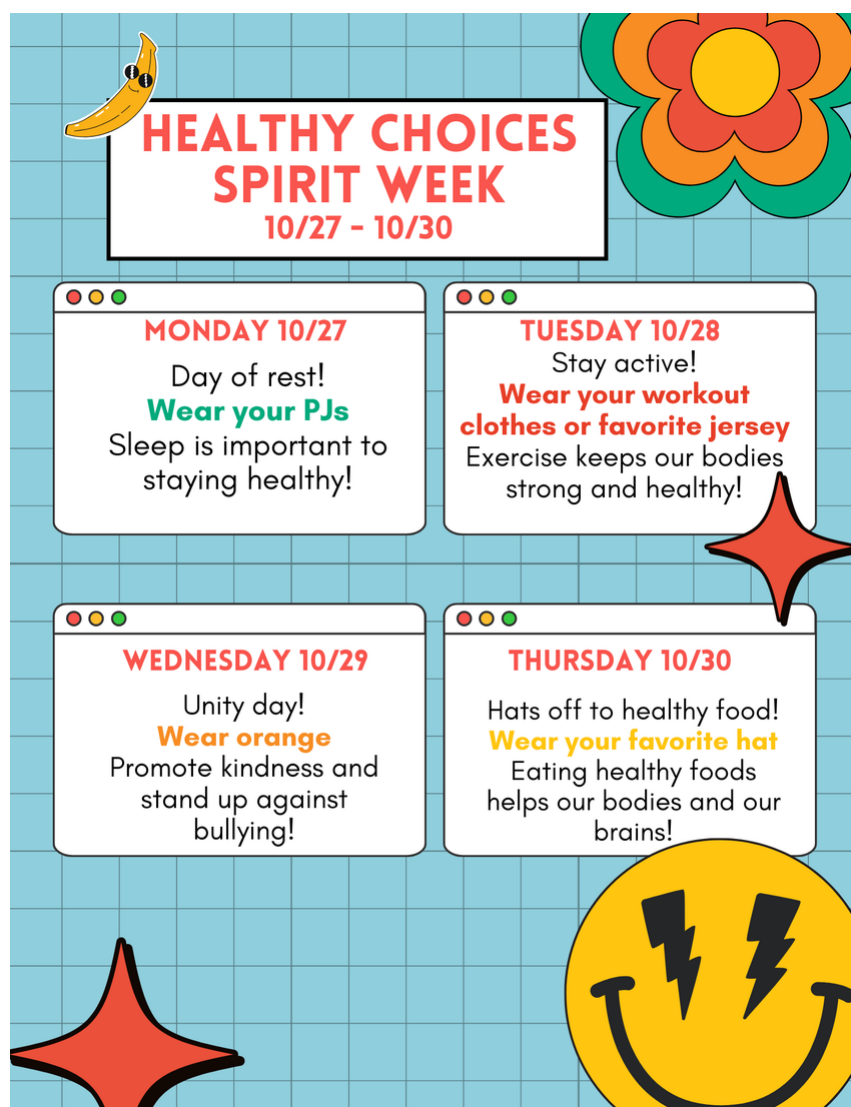

In addition, you'll find information about our **Title Program** and our new **Building Action Plan Goals** from SITE Council.

We are excited to share some of the amazing things happening in our school and look forward to seeing you there!

Sincerely,
Lorle Bolt

Lunchroom Update

At this time, we ask that students no longer bring food items that require microwaving for lunch. Our microwave in the lunchroom is no longer working, and warming up food would require staff to leave the area to use the teacher's lounge, which isn't possible during lunch supervision. We've also noticed that many students find it tricky to use the microwaves on their own, and we want lunchtime to feel calm and smooth for everyone. Sending items that are ready to eat will help students enjoy their meals more easily and keep our routines running safely.

We will be hosting a dental clinic at OAC on November 5, 2025. You may sign up using the QR code in the image below or contact the school nurse for a consent form.

Halloween Parade & Details

Overbrook Attendance Center is excited to share that our students will parade downtown Overbrook on October 31, 2025 for our annual Halloween festivities. Students will be leaving the school about 1:30pm, stopping at local businesses to share their costumes and spread some spooky fun!

Students will not wear their costumes to school. They will change at school before the parade. Keep it cute! No fake blood or weapons!! Students will gather in the gym beginning at 1:15pm if parents would like to join us.

Book Fair

It's Scholastic Book Fair time! From October 27th-October 31st. Come experience the limitless possibilities with your kids. Every purchase benefits our school.
