

Santa Fe Trail USD 434 LEARNING SERVICES UPDATE

Inspiring and Empowering Every Charger, Every Day

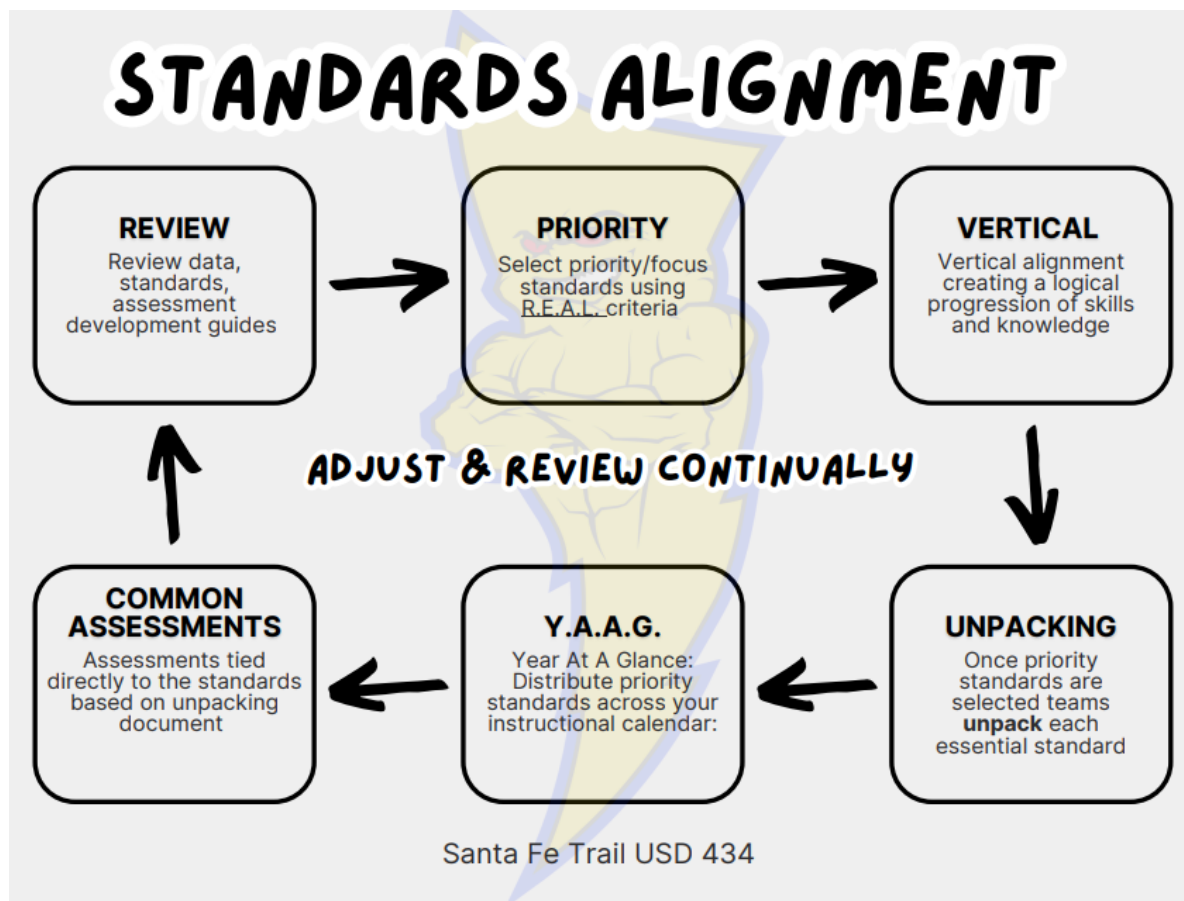

Learning Services Update - November 2025

Dr. Carrie Mugridge

Professional Development -November 3

- LETRS Unit 5
 - K-5 Teachers
- Santa Fe Trail High School & CAC
 - Standards Alignment Introduction
 - New resources/curriculum, new standards, new state assessments, new KESA school accreditation - means time to dig down and get to work on standards alignment! SFT last dug into standards alignment work in 2017, since then SFT and KSDE have changed a lot.
 - We will use the following flowchart during this standards alignment process. We are currently in step 2 - selecting priority standards. This will vary from team to team on how long this process will take. The flow chart and administrative guidance will lead each team where they are at through the standards alignment process.

Mentoring

- Highly Qualified Mentor Meeting - Nov. 12
 - HQ mentors and admin will be trained on a new instructional tool - Sibme. This will be an AI platform preloaded with SFT specific items such as our curriculum, our instructional framework and instructional playbook, standards alignment work, state standards, and more!
 - This tool will offer a platform for teachers to record themselves and use the coaching tool embedded within the tool.

Assessment

- Students in grades 3 - 10 have completed State Assessment Interim Assessments
 - Collaboration teams completed a data dive and will use Mini Tests as a formative assessment to monitor progress on standards
