4779 / 5059

This Year / Last Year

Lunch

12003 / 11733

This Year / Last Year

***Thank you for continuing
to partner with Opaa! Food
Management!***

Highlights from October

Our second Opaa! Tasting event was held in October, featuring a new menu item the kids loved! Participation was overwhelmingly positive, and we look forward to introducing more new items in the future. National School Lunch Week was held on October 13th-17th. The theme, 'Around the World: Find Your Passport!', showcased delicious specialty meals from global cuisines. Students also enjoyed engaging in travel-themed activities throughout the week to promote healthy eating.

Looking Ahead to November

We are planning an Opaa! Veterans Day Celebration to honor those who have served this country. Continuing our celebrations, a Thanksgiving Feast will be served to encourage students to enjoy a holiday meal with their friends.
