

SAC PRESCHOOL NEWSLETTER

NOVEMBER 2025

What's Happening in Preschool?

October was a busy month in Preschool! Thank everyone who came in to meet with us for parent teacher conferences. The home/school connection is very important in order to ensure the success of our students.

We would like to thank Moreland and Loren Baldwin for donating pumpkins to everyone. A big shout out also goes to the local businesses and patrons who came together to make our Halloween Parade a success. Our littlest Chargers thank you!

In November, all of the classrooms will be learning about kindness, friendship, and what we are thankful for. Be looking for information from the classroom teachers about the Friendship Feasts that will be happening in each classroom. In addition to learning about what we are thankful for, classes will continue to work on social skills and preacademic skills.

Upcoming Events

- 11/3: No School, Professional Development
- 11/25: Friendship Feasts
- 11/26-11/28: No School- Thanksgiving Break

Why Routines Are Important for Children

Cold Weather Reminders

We try to get outside as much as possible. Our general rule is that we go outside if it is above 30 degrees. Please send your children with warm clothes for recess- a coat, mittens, and a hat or hood.

It is also helpful if you work with your children on being able to dress themselves in order to go outside- put coats on and off, zip up coats, put gloves or mittens on, etc.

TRACK OR TREAT
