Whats happening at SAC?

We have been busy working on learning preacademic skills as well as working on social skills. We enjoyed a visit from the high school kids to celebrate Read Across America, and we also enjoyed having guest readers in our library. All of the classes will have the opportunity to watch caterpillars turn into butterflies in the next couple of weeks, and we will work on wrapping things up as the end of the year is quickly approaching.

Please join us for our preschool music program on Wednesday, April 22nd. It will begin at 6pm, but we are asking that you bring your children to their classrooms at 5:45 so we can get everyone organized.

For those who will be going to kindergarten next year, Kindergarten Round Up is scheduled for Friday, May 1st. This is a great time for your future kindergartner to see the building, meet staff, and for parents to learn more about kindergarten.

SPRING

KINDERGARTEN ROUNDup

We know that this time of year can be scary for parents of first-time Kindergarteners therefore we ask that you please join us for a special day to celebrate this milestone in your children's lives. OAC is so excited to meet all of your children and welcome them into their special school. A team of teachers, support staff, and administration will be there to answer all your questions and give your child an opportunity to look more at Kindergarten.
