

MONTHLY FOOD SERVICE REPORT

SANTA FE TRAIL USD 434 SCHOOL DISTRICT | APRIL 2026

Breakfast

4170 / 5596

This Year / Last Year

Lunch

11142 / 12210

This Year / Last Year

Thank you for continuing to partner with Opaa! Food Management!

Highlights from April

We celebrated the return of warm weather with our Opaa! Spring Feast Meal, providing a fresh, festive dining experience for our students. Throughout the month, we kept our community informed and engaged with another edition of the Opaa! Crunch Club Newsletter. To finish the month strong, we hosted our final New Menu Tasting Event, giving students a much-needed break from their studies to sample and provide feedback on our latest culinary creations.

Looking Ahead to May

May promises to be a busy and rewarding month as we celebrate National Lunch Hero Day on May 1st to honor our dedicated cafeteria team. We will also host our Junior Chef Event, where students can get hands-on experience in the kitchen. As the school year winds down, we look forward to serving our "Have a Great Summer" Meal.
