Breakfast

3601 / 4133

This Year / Last Year

Lunch

9265 / 8983

This Year / Last Year

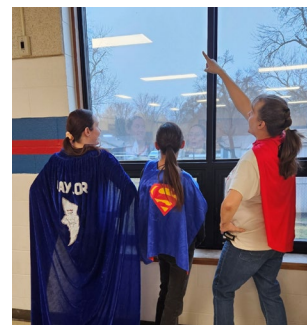

Thank you for continuing to partner with Opaa! Food Management!

Highlights from March

We kicked off March with National School Breakfast Week: "The Quest for School Breakfast!" Our cafeterias were full of adventure as students fueled up for their school day with fun menu items and exciting activities! We didn't stop there, we also published the March edition of the Crunch Club Newsletter, educating students on the importance of Vitamin D, the sunshine vitamin. We couldn't let this month pass without our St. Patrick's Day meal, which brought plenty of smiles to the cafeteria.

Looking Ahead to April

We will celebrate the warm weather with the Opaa! Spring Feast Meal! Another edition of the Crunch Club Newsletter will be posted in April. We will finish the month strong with a final New Menu Tasting Event. It's a great way for kids to take a break from studying and try a new, tasty menu item!
