**5/19: Last Day of
School**

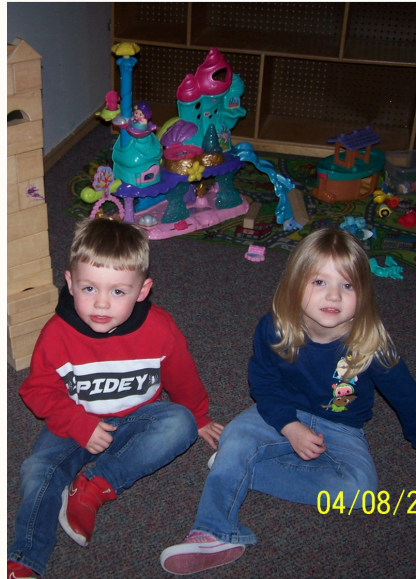

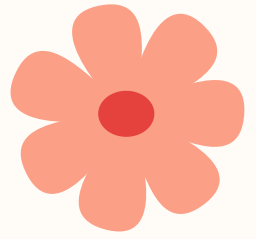

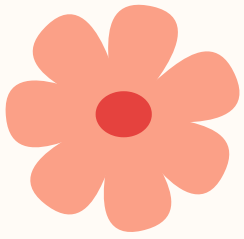

What's Been Happending at the Preschool?

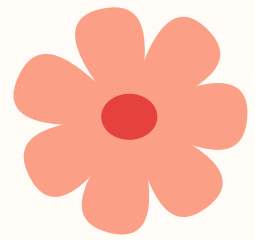

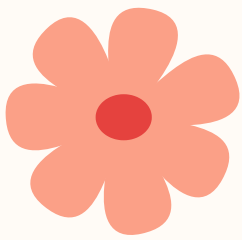

We have been keeping busy in April, and have been so thankful for the nice weather that has allowed us to get outside and play. We were so grateful for the turnout for our music program. Thank you everyone for coming and supporting our littlest Chargers! They worked hard to learn the songs, and they did a great job performing them for everyone. All three rooms also got to experience the life cycle of a butterfly. The kids enjoyed watching that process and then setting the butterflies free!

Friday is Kindergarten Round Up at OAC and a screening at SAC. We will not have preschool on Friday, 5/1. In May, preschoolers will be traveling to the Overbrook City Park for their field trips. Be looking for 4th quarter report cards and end of the year assessment data to come home in backpacks this month as well.

This will be the last newsletter for the year. We hope everyone has a great summer and we will see you in the fall!

Early Childhood
Screening! 

 **Free developmental screening for kids from birth to 5!**

Interested in Preschool?
Screening is the first step!

May 1st
at Scranton Attendance Center

- Who? Any child from birth-5 who hasn't attended a screening in the last year. Current preschoolers do NOT need to attend.

For an appointment, call
SAC @ 800-836-9525

- All areas of development are screened: language, speech, cognitive, fine & gross motor, vision & hearing
- Sponsored by your local school, Infant Toddler Services, and Three Lakes Educational Cooperative
